

Glenville New Life Newsletter #1

Praise God! We had an EXCELLENT KICK OFF SUNDAY, last Sunday, September 26, 2010! We introduced our campaign leaders, our campaign song, and our campaign cheer. You can get a Free CD of last week's message if you did not attend.

The Pastors and our leadership teams have selected "Striving For Excellence, Excelling In Giving" as a fitting title for our capital stewardship campaign. No finer title could be selected because God has opened the way for us all to share in the ministry of our church. Together, we will organize for this en-

deavor, commit necessary financial resources, and watch our influence for God grow in this city.

Our Pastors, campaign directors, Gail H. Banes and Shannon Hendrix, and our campaign leadership teams met to discuss the future needs of the church. They are leading the church in a stewardship campaign that will move the church forward toward our vision.

This is the first of four newsletters in a series. You will want to read each one carefully to keep yourself fully informed.

Our church family is very excited. As our challenge phase of the campaign has begun, it will be a time to encourage the church to earnestly seek God concerning their participation in making the church's vision a reality.

These will be busy, happy and fruitful weeks. A partial calendar of activities (to the right) has been printed in this newsletter. Our church's leadership felt these activities to be of such importance that the regular calendar has been cleared to ensure the priority of the stewardship campaign.
