"Just What Is My Part?"

Andrea Pride & Lillie Jackson
Kick off Sunday

The Striving For Excellence ~ Excelling in Giving Campaign is proceeding wonderfully! We have had our Kick off Sunday, our special sermon messages, and our Costume Party with around 175 in attendance, PRAISE GOD! Our Personal Contact Team had a great time visiting many members in their homes on our PIE visits. This past weekend we hosted our 24-Hour Prayer Vigil, with some amazing testimonies of God's goodness in our lives. God is moving amazingly at Glenville. There is much excitement surrounding the campaign, and there may still be some questions. When commitment time comes, many will be asking, "Just what is my part?" Actually, this is a question that only you can prayerfully decide in partnership with the Lord. No effort will be made in this campaign to tell any person what he/she should or should not give.

Kick off Sunday 2010, Dancers, & Choirs

Everyone at the Celebration Sunday (November 21, 2010) will receive their commitment card on which they will make their commitment. This commitment should be the result of prayerfully seeking God's direction. Frankly, there *is* only *one way for each of us* to determine *our* commitment. *It should be large enough to represent a real sacrifice.* It must be a part of our very life. Our commitment should show our willingness to do without something now and in the future. True sacrifice results *in a personal loss, but we can never out-give God!*

Glenville New Life Community Church – "Striving For Excellence ~ Excelling in Giving" Stewardship Objectives Announced!

The objectives for the "Striving for Excellence ~ Excelling in Giving" stewardship campaign are now official. After careful review of our giving potential, the following objectives have been established. We desire to trust in God for \$200,000. We pray that these funds will repair the parking lot, replace the broken doors, provide air conditioning in the fellowship hall, nursery and classrooms, remodel the kitchen, upgrade our electrical wires, provide a tithe for the least of these ministries, and expand our youth ministry staff. Our Goal would seem to be extremely difficult from our human perspective, but we all know that all things are possible with God. To reach this goal will require real sacrifice on the part of our church family. This is a great challenge. We do have faith that God will honor our efforts to stretch and move into the new opportunities God has for us as individuals and as a church family!
