Dear Member and Friends Of

Glenville New Life Community Church,

Praise God for the Lord is good, and Gods' mercy endures forever. We did not know what to expect when we came to Glenville 20 years ago. We did not come with a time agenda in mind. Our goal was to serve the Lord as most effectively as we could for as long as we could. It was during our time of ministry that somehow 20 years came and passed us by.

It is an honor and a privilege to be in one place for such a long time. We are grateful, and we are thankful that Christ has awarded us such an opportunity. We have watched families, including our own, go through all kinds of seasons in their lives together. We have rejoiced together at births, at promotions, at graduations, at weddings, at new jobs, at empty nest homes, and at retirements. We have cried together at unplanned pregnancies, at failures in schools, at rebellious teens, at families falling apart, at job losses, at unexpected health situations, at prison sentences, at divorces, and at sudden deaths of those we love. We have seen the grace of God together as lost teens found their way back home, as God rebuilt homes and marriages that were broken, as God imparted new life into many to start their lives over again, and as we shared in home going services of the saints.

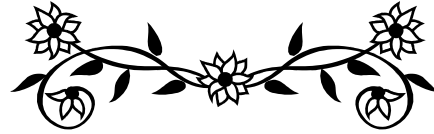

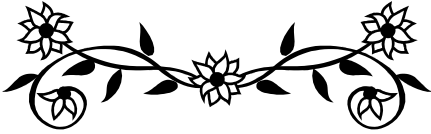

It has been a joy watching the Spirit of God at work in so many of your lives as you chose to follow Christ. You have gone from outsiders to leaders making a difference. It has been painful watching some leave our church to go to other churches, but it has been much more painful watching those who have chosen to walk away from the Lord and still have not come back to the Lord yet. One of the most difficult tasks has been saying goodbye to so many saints who have worked tirelessly in our midst who have gone on to be with our Lord. Not only were they our members, they were also our friends. In 20 years, there are a lot of goodbyes. It is by Gods' grace that we find the strength to continue to press on.

We have been here for 20 years, but it has not been the same church for 20 years. Over the years, God has sent many into the life of the church who bring a wealth of talent and gift mixture to keep us alive in Christ. We are thankful for those who have been here 20 years and for those who have been here 20 days. Our goal for our church is that we be at place where sinners can find the love and acceptance of Jesus no matter what. We want anyone who chooses to repent to know that Jesus has a family at Glenville waiting to receive them in love. Thank you for the opportunity to serve at this great church.

Special Memories

I've been going to Glenville all my life, but there was a time when I didn't come to Church. It was during that time that Pastors Toby & Rick came to Glenville. I met Pastor Toby first at my mother's house (Ethelene Hall). This was during the time that my mom was in a wheelchair. After that first meeting, I was determined to get back to Church. So, I started wheeling my mom to Glenville. Then I met Pastor Rick. My first impression was: I do not like this man. But my mother could do nothing but sing his praises. She truly "loved the ground he walked on." I just couldn't see it and we agreed to disagree.

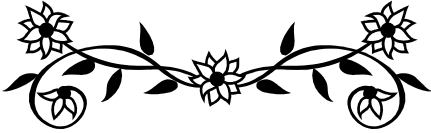

Finally, I decided to rejoin the Church and started my Saturday classes. Lo and behold, it was Pastor Rick teaching the class. Let me tell you that I have never, never laughed a much as I did in that class. It was Mae Cooper, Pastor Rick, and I. Laughter means a lot to me and I have been a fan of Pastor Rick's ever since that class.

Karen Hoagland

There are so many memories that I have of you both. I remember when you first arrived, with new energy and ideas to make Glenville more actively involved in bringing people to Jesus Christ. I remember you always being present for the births and deaths, any celebrations and challenges, and for endless prayers for the members of our Church family. With all of the memories that I have, the one that sticks out the most, is how available you have made yourselves to us. You guys are always there regardless of what you are dealing with personally. You have taken your calling seriously and it shows in all that you do for others. Thank you, thank you and thank you 1 million times over. Love you both!

I can remember when...

Before I became a member of Glenville New Life Community Church, when I was living in Columbus you all used to send me a newsletter or a bulletin about what was going on in the Church. Some of the members used to send me cards and words of encouragement, especially when my dad first had his stroke. I can remember telling my friends, "They don't even know me and think about me enough to send me stuff in the mail," the thoughtfulness touched my heart. Then when I decided to move back to Cleveland in 1998 I visited several times and I remember Pastor Rick knowing my name when I didn't really talk that much. Sometimes something as small as remembering someone's name means a great deal to that person it makes them feel thought about. I also remember Pastor Toby encouraging me to become a Deacon when I didn't feel like I was capable of doing so. During the six years that I served as a server, I had some good times and trying times but they all have played a part in molding the person you see today. When I made my decision to join Glenville

it was because I enjoyed the sermons the most. I had visited several churches and the sermons never held my interest like a Glenville, Pastor Rick with your sense of humor and Pastor Toby with your anecdotes. I am a true believer that God strategically puts people in the lives of others for a reason and I am thankful that the both of you have been put in my life. I would like to congratulate you on your years of service and dedication and pray for many, many more. God Bless you both to the Pastors who care! Happy Anniversary Love Ya,

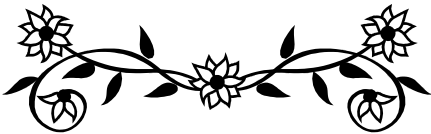

Stephanie Smith

I joined Glenville New Life Church in the spring of 1994. Pastor Rick's sermon PMS: Power, Money, and Sex, this powerful sermon and gave me a sense of urgency about the world and all of its facets. According to the Harvard Business Review most mortal crimes of murder, corruption, greed, and adultery can be traced to one of the elements of PMS. It cuts across all professions and disciplines such as: law, medicine, pharmacy,

education, music, ministry, business, and administration. Duplicitous but fair; initially stated by both Solomon and Socrates. Whenever I am tempted this sermon serves as a guide. Happy Anniversary

Claude Smith

I have so many memories about Pastor Toby and Pastor Rick. Like the times we all went on out of town trips and Pastor Rick did the Map Quest, everything went well until we got to the city, then we always had to ask for directions. Or how Pastor Toby and I always share a Christian hug and kiss. I cannot tell you how many times that tiny act of love has kept me from screaming. But the memory I cherish the most is when my niece had dropped me off at church and the hospital called to say my sister was taking a turn for the worst. I ran downstairs crying telling Pastor Rick I needed a ride to the hospital. I remember he was eating, he stopped in mid bite and said lets go. Then Pastor Toby came to the hospital with so many of others, she prayed, anointed Norma and held her had and help sing her into her eternal rest. In a

time when you don't know what to do or why things are happening the way they are. I was blessed to have them both in my life to be the quiet gentle voices of direction and reason. I am pleased and proud to call them my Pastors. Happy Anniversary Pastor Rick and Pastor Toby – I pray you have many, many more. With much love,

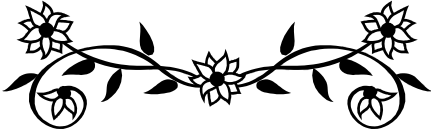

Deborah Chambers

I will never forget the sermon that Pastor Rick preached when he taught husbands and wives a new way to PRAISE THE LORD! That was the greatest sermon that I ever heard. I also remember Pastor Toby's sermon that helped teach men how to be better husband's fathers, and men! Thanks Pastor Rick & Pastor Toby!

The transparency and accessibility of our Pastors (Rick & Toby) and how they care for the flock they shepherd. Moreover, their passion for ministry. With Love

It was a cold day in March 1989 when this twenty-year journey began. We (Gail H. Banes and I) were at the airport to meet the couple who were to become our Pastors. Here comes this pretty lady looking like a fashion plate in a pink coat (mind you it's snowing, cold and in March) with this dapper gentleman beside her (smile). After greetings we were off to John & Jonnie Hayes' house for a fabulous meal - you know who was first in line. They preached their first sermon on March 5th 1989 and for me it was an opening up of the Bible in a more understanding way. Their sermons, their seriousness and humor were very thought provoking, and convicting. They

still are. I am glad they are in my life; it has changed the way I think about a lot of things hopefully making me a better person. Happy Twentieth Year With Love

Evelyn Reese

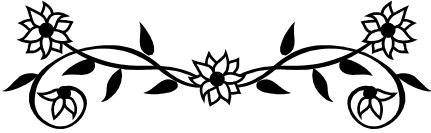

Many thanks to you, Pastor Rick & Pastor Toby for having such a significant influence in my life. Your sermons and teachings have made me a better person, husband, father and a friend to others. Not only have the both of you taught me to become more Christ like in my ways, you both "lead by example." May the both of you continue to lead us and serve our Lord! Happy Anniversary!

I really don't quite know where to begin. When I think back on my favorite memories of Pastor Rick and Pastor Toby, it's like a movie reel goes off in my head. There have been so many special moments and events that it is impossible to elevate one over the others. The Pastors have always extended their time and love to me and my family during the good times and the not so good times. The Triumph of the Holy Spirit has manifested itself on many occasions and makes my heart smile when I remember the fun we've had at cookouts, church picnics, holiday dinners, seeing our kids dressed for the prom or simply working side by side in different ministries. I laugh when I think of Pastor Rick's humor and feel utterly exhausted when I think of the energy of the "energizer bunny," or heart pangs of the "crying pastor," Pastor Toby.

I love the way the pastors matches a person's gifts and talents to serve the church, and then set out to help you accomplish your goal by preparing you for that task, taking individual time with each member of the church in one way or another. Some how, they have a

way of making each of us feel "special." The pastors are truly visionaries and lead by example while bringing the lessons of the Bible of over 2000 years to the present time, like no other pastors that I have known to do. It has been my privilege and honor to be ministered by both of you during my membership at Glenville, and I look forward to the future with you as pastors. Happy Anniversary!

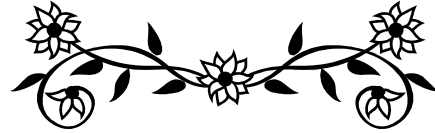

Shannon Hendrix

How your ministry made a difference in my life...I think that at this moment in my life, it is so nice to reflect upon memories of Pastor Rick & Toby. First, I just want to say Praise God for all that you do! Thank you for your prayers and love. Thank you for your continued work at Glenville New Life Community Church. I will never forget when we first started at Glenville, Pastor Rick asked for help in painting the church. I was thinking... what? Seriously...you want my help to paint the church? So, I came out and you put me at the front door. Oh, my... did I make a mess. It took me hours to do that one little

area and then I was covered in paint. Pastor Rick laughed and it was in that moment, that I knew that I wanted to do more at Glenville! I knew of course, that my calling was not painting, but after that I started participating in other ministries. I even remember calling Pastor Rick, while I was working on my MLIS at Kent State and asking if I could change the website as a project for class? You didn't even hesitate, you said yes! Pastor Toby, there have been so many awesome memories, from visiting with me after Anise was born to laughing with you at marriage sensation. I guess, the memory that most impressed me was our Men's Day walk from Glenville to New Life. Pastor Toby wore this pretty pink dress and some hilled sandals. I couldn't believe it! She was going to walk the entire way in those shoes? Well, she did and without complaining. I was so impressed. I was reminded that sometimes we need to "walk in someone else's shoes to understand them." Well, Pastor Toby's walk is not always easy, but wow...she sure makes it look good in those awesome shoes! I love you both and thank you for all that you do! I Love You!

I have lots of memories of Pastor Rick and Pastor Toby. I will share two memories. My first favorite memory of Pastor Rick & Pastor Toby is when we were all at a funeral. We got to the funeral a little late because we weren't a part of the funeral. When we got there we found out that the family was expecting us to do the funeral. (Pastor Rick, Pastor Toby, and Me) and we didn't know. I was a new pastor and I was thinking, "What in the world are we supposed to do." Well, Pastor Rick went right into action. Pastor Rick gave everybody assignments, and gave himself the eulogy. Pastor Toby began leading the songs and the prayers. And, I was sitting there the whole time thinking what in the world is Pastor Rick going to say. Well Pastor Toby led an amazing prayer time and praise song time. Then she went on to lead a fantastic testimonial time. So many people shared so many details about the person's life that Pastor Rick was able to write a eulogy, while we were sitting there singing and praying. He gave an amazing eulogy and really spoke to the people's hearts. My second favorite memory of Pastor Toby and Pastor Rick was when we

started New Life Fellowship Church. Pastor Rick and Pastor Toby took turns going over to New Life Fellowship each Sunday. It was during these times a part that we really got to see all of their individual and combined strengths. They really grew as people and as pastors leading two churches at the same time. They never complained, never gave up, and they were also willing to try something new. It was also during this very stressful time that they took the time to help raise up two new pastors, myself and Pastor Tony. I will never forget all that Pastor Rick and Pastor Toby have invested in my life and in my family's life. I really appreciate you both and I love you.

Pastor Kellie C. Sullivan

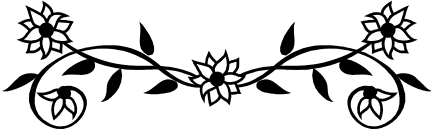

One evening on the Pastors' first visit to Cleveland, they wanted to see the city and so I graciously drove them around and eventually we ended up downtown at the square. It was lit up very nicely. By

then they had already seen the church and Pastor Rick was giving an oration on the condition of the building and his vision to update it, etc. I agreed with all of his suggestions and smiled hopefully, but in my mind I thought, 'bla, bla, bla!-just sign on the dotted line.

Pastor Toby was quiet (which I later found out is very unusual for her) and was taking in the scenery. She had this beautiful smile and charming way about her. Pastor Rick on the other hand, had this gravel-voice and carried on in a very business-like and serious manner, (which I later found out was all an act). Anyway, as I drove and they laughed and giggled, I was glad to see the stars in their eyes and hear about their plans and the great potential that they saw in the church. They were excited and anxious about the positive changes they knew they could bring to Glenville and to the community. They had me all excited too, but deep down I was laughing even harder, because I knew they had no idea what they were getting themselves in to.

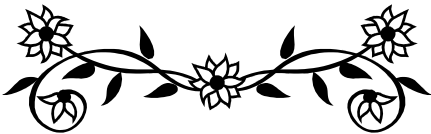

Gail H. Banes

When the Pastors came for their 2nd visit to Cleveland, we found out that they would be our houseguests again. This time they would be bringing their daughter, Samantha, and their dog Faith. Other than the fact that we had a pet cat named BC (Boy Cat), this was not a problem. They were here for several days and poor BC had to stay outside in the cold the entire time. He didn't put up too much of a fuss, because he was being fed regularly, but as he watched us through the front window day-after-day, we knew he wasn't very happy with the arrangement. In the end, things did work out. The Pastors were hired, Faith moved out and BC was happy back inside happy, warm, and making his usual demands.

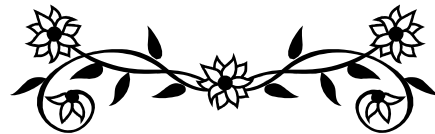

John and Jonnie Hayes

Pastor Toby and Pastor Rick, thank you for being instrumental in brining me out of my shell. You trusted me with things I didn't even trust myself with. It was such a joy growing up with you as my Pastors. You took me under your wings, encouraged me to use my

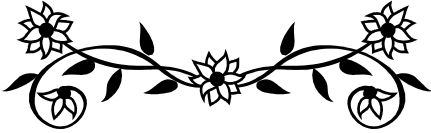

gifts and made me feel special. Thank you for the wonderful memories at Glenville-playing for the Angelic Voices, coaching the girl's basketball team, being the minister of music, and the great lunches at Red Lobster! You are model Pastors and you are the standard by which I measure other leaders. You invested in the children-as the church of today and not just tomorrow-and I'll never forget that.

Alicia Bates Anderson

When I think of Pastor Rick and Pastor Toby, I remember how supportive they were of me when my boss died suddenly. They were a source of comfort and their support was greatly appreciated. I also remember and appreciate them for always being there for the young people of the church. How they attended the school functions; i.e., basketball games, football games, plays and any activities the youth were a part of. Lastly, I will always be grateful to them for their outstanding support at the wedding of my daughter and son. Thanks and God Bless You!

Althea Bates

To narrow down just one memory is not enough to show the full love and gratitude for both of you! Pastor Rick and Pastor Toby, Congratulations on 20 years of ministry at GNLCC. From Pastor Toby being an excellent example of a Proverbs 31 woman and Pastor Rick you are the Proverbs 31 man! Pastors Toby you keep me and my husband encouraged at all times. For me with my dancing and going through the spiritual journey with our class, to encouraging my husband with his numerous ideas. Pastor Rick, people are still talking about our wedding and the Pastor that said, "and I will love you." You are the great positive man figure in Jameel's life. You've added the extra bit of encouragement he needed to send his imagination and visions soaring. I love your honesty and your compassion. You've been there through the birth of both girls. You are truly loved and irreplaceable. Here's to another 20 years of more maturing and growing. We Love You!

*Jeanette, Jameel, Jayeesha, and
Janiya Williams Daniels.*

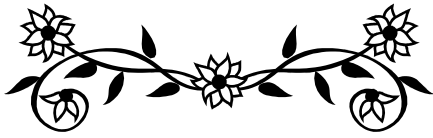

Pastor Rick and Pastor Toby, you two are very special in our family's life, as well as, the saints here. You are so real and down to earth! Oh! The love that you both have is what the Lord says in his Word. 1 Corinthians 13:4-13. That is the reason why you are so blessed. And that's why your ministry has made a difference in my family's life. Because I can tell others about Jesus and win them over to the Lord. Because of the fruits of the Spirit, that is operating in both of you and that's how I know I can share Jesus with them without fear. Because of these great teaching you have blessed us greatly. May God continue to bless you both in your Pastoring. Happy Blessed 20th Anniversary, We Love You Both!!

I love the way that you have reached out and ministered to the children of this church and this community. When you are a single parent and you need help from all over to keep your family on track. These pastors have done just that helped me to raise balanced, God fearing children.

Kathryn Williams

have come from joining the church, asking for counseling in troubled times, singing in choirs, working in summer camp and after school programs, opening a business. You've even seen high school and college graduations. You've mourned our losses and we yours. We just want you to know we love you. You hold a special place in God's heart and a special purpose in this world and that makes you irreplaceable. Behold, what manner of love the father hath bestowed upon us. John 3:1

Congratulations Pastor Rick and Pastor Toby on twenty years of ministry at Glenville and in this community. Our family thank you for loving and caring for our well being, concerns, celebrations, hurts, and numerous joys. Our families have almost melted into one over this journey. We have grown so much in our Christian life because of your guidance. We've known you both as dear friends because we have learned to look and also truly laugh at our selves and be bold enough to step out on faith to try new things for Christ and ourselves. Our families

I would like to thank Pastor Rick and Pastor Toby for their continuous encouragement and love. The both of you have been a blessing to us and the whole family for the last 20 years.

Raffia and Andrea Billups

Congratulation Pastor Toby and Pastor Rick on your 20th Anniversary! Your have been a beacon of light and hope in the Glenville area, serving as a role model of exemplary Christian leadership. I thank you for your outstanding service to the community especially when you spoke to the students at Buher School for a Black History program. May God continue to bless your ministry.

*How have your ministry made a difference in my life? Pastor Toby and Pastor Rick your ministry here at Glenville has been a transforming force in my life. I remember the 1st time I attended Church after your arrival as new Pastors. I thought, **wow** this is a long, noisy service. Too long and too loud. I thought that I might have to try Heights Presbyterian again (smile). The next time I attend however, Pastor Toby preached a sermon about an Eagle*

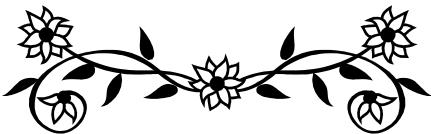

living a chicken life. The message lingered in my heart because it was so motivating. The next time I showed up at Church, Pastor Rick was preaching and he assigned all the Bible characters names like James, Bob, etc. and preached the sermon in a way that you could really relate to the biblical characters and apply it to your life. These sermons sparked a desire in me to study and learn more about God's word. In essence, to really dig deeper in my study. Over the years, I have really forgot about the length of the Service and now enjoy the tambourines, drums, horn and the list goes on and on because we have many more instruments (smile). Seriously, your sermons have continued to transform my heart. This transformation, in my personal life, made a difference in my marriage, made me a better mother, grandmother and created in me a desire to make a difference in the lives of others. I thank God that He sent the two of you into my life and for your spiritual investment in my life and the life of this Church. You have certainly challenged me to be all God has called me to be and to continue to be all I can be in Christ. May God continue to shower His blessings on you and your ministry. With Love!

We all did. Your work and faith

My first and fondest memory of the pastor's came from my grandmother, Fletcher Mae Glover who spoke so fondly of the new Pastors – especially that “Little Woman” she would say about Pastor Toby and how much energy she had. I finally did meet her at my granny's funeral. Then a few years later I decided to come back to the Church that I had grown up in since the 60's and saw how much it had changed. Then during a series of sermons they preached on how God wants each of us to use our spiritual gifts that He has given each of us. It struck home – what was my spiritual gifts, and what was it that God has put into me – Flowers. Flowers are my passion and I wanted to plant flowers to glorify God like in the Garden of Eden. I talked with Pastor Toby and asked if I could plant some flowers outside and she said sure. The spring came and so did the spring bulbs that I had planted, and Pastor Rick said, “What in the world did I put in those flowers- they lasted so long?” I was happy that I could do something to make a difference – so I had grown to become not only a perennials gardener but

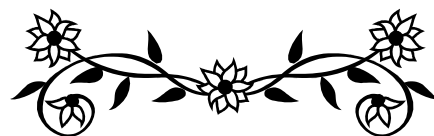

also a floral designer with the help and encouragement from both of my Pastors. I've found my spiritual gift. Pastor Rick and Pastor Toby, thanks for all of your diligence and Love. Fondly

One of my many favorite memories is when I was very young. Because I have so many memories on video, I remember having the pastors, Samantha and Chanel over to my aunts' house for dinner. It was during the summer time and since I basically lived with my aunts I saw them often. We went outside to play me, Samantha and Chanel with our Sunday best dress on and literally I mean dresses. We played on the swing play-set and I wanted to show off my monkey bar skills. So I flipped upside down on the monkey bars and Samantha and Chanel just laughed. I had fun even though I got into trouble entertaining guest. Love

Dear Pastors Rick and Toby, I'm not sure where to start, but you two and your ministry here at Glenville has touched my life in many ways in these last 14 years that I've been here. At the age of 12, I used to listen to your sermons and felt that you all were speaking about things concerning me and things that applied to me, not just adults. Pastor Rick, being a part of your teen Bible study class really helped me to begin to discern the will of God for my life and for that I will be forever grateful. Pastor Toby the love and kindness that you always show to everyone is remarkable. I remember in High School and wherever I would go, I would try to show that same love and compassion. I love the fact that you all are so family oriented and care about the health and spiritual growth of our families. As an adult now, I continue to thank God for your great leadership, and the example that you both set for us. I pray that God continue to bless you richly. I am so glad to be a part of your ministry for the Lord. God Bless you!
Peter Jackson

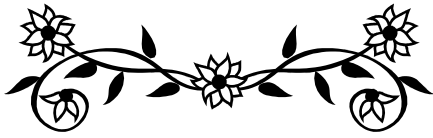

My favorite memory of Pastor Toby is the small woman full of energy, and can cry right on cue. Pastor Rick is a marvelous storyteller, the way he interpret the Bible make it very interesting.

Joseph McIntosh

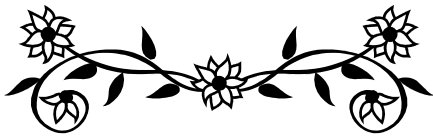

Pastor Toby and Pastor Rick your ministry has made a difference in my life by allowing me when I stumble and fall to get up dust myself off and continue on God's mission for my life. It is refreshing to hear that sometime your Pastors struggle and stumble and fall with some of the same issues that members of the congregation have. I think a lot of pastors make a mistake of portraying themselves to be faultless and better than members. It is good to hear of your struggles with life issues and enjoy seeing how you seek God for your solutions. Keep up the great work you are doing. May God continue to bless your ministry!

Antonio Lamont Taylor

My favorite memory of Pastor Toby is seeing her beautiful face and hearing her lovely voice appear many times in my brother's hospital room. Praise God. My favorite, cherished memories of Pastor Rick are in times of trouble. Once, when I was in great need, I saw the face of Jesus in Pastor Rick. His face was full of care, concern, and love for me. When he said "it's okay", I believed. I still do! I Love You!

Felicia

When I found out my wife's cancer returned, I was afraid to see her face-to-face because I did not believe I would be strong for her. Pastor Rick made me realize that it was okay to cry together and pray together. Pastor Rick and Pastor Toby have shown great concern ever since. I am extremely happy to have them in our lives.

Memories In the Corner Of Our Minds: **LaToiya:** *I remember the van rides to the church and other various places being tossed to the left and tossed to the right of the van with about 15 of us in tow. Pastor Toby you sure can handle that van. I remember spending the night at your house and Pastor Rick (believe it or not) braiding my hair for the day's journey, and had it looking good too! I remember being picked up from home, because my mom was in the hospital having my brother (now I have to share)! **Bryan:** I remember running through the church along with Chris Hayes (just to mention a few), destroying some things in our path, but you have to admit some good came out of this, you do agree? And look at me now!!!!- I remember PR &PT being there for me during my ordeal with my father. Thanks for everything!!!! – I remember Yakoo!!!! **Sharon:** I have several memories, but just to mention a few: I remember being told not to get married, because that was one of the worst marriage counseling sessions PT & PR had done, but I was bull headed and had to do it anyway. I remember Samantha*

*and Chanel spending the night at my house, getting ready for our Cedar Point trip the next day. I remember PR & PT making my mother fill at home at GNLCC and delivering that out of sight eulogy. Most of all, we remember you teaching us to rely on the Lord and teaching us how to grow deeper and stronger in the Lord. Thanks for being there for all of us!!!!
Love and Prayers*

Sharon, LaToiya, Bryan

By being active in the Church, attending workshop, reading the Bible and other resource books, I have been a more effective role model for my family- several of my nieces recently have found a Church home. I feel fortunate having the opportunity to grow with a caring and Loving Church family and it's pastors.

Kudos to Pastor Toby and Pastor Rick

You Are God's Unique Creation

Key Verse – Psalm 139: 14

Scripture Reading – Psalm 139: 13-18

“You are both special. In all the world there's nobody like you. You're the only ones in all of creation who have your particular set of abilities. Oh, there will always be somebody who is better at one of the things you're good at, but no one in the universe can reach the quality of your combination of talents, ideas, abilities, and feelings. Like a room full of musical instruments, some may excel alone, but none can match the symphony sound when all are played together. You're a symphony.”

Devotions for Couples by Bob & Emilie Barnes

We are glad that God's assignment for you was and is Glenville New Life Community Church, and we're thankful to be a part of your ministries. We pray that God's strength, direction, and love will permeate your lives.

Congratulations Pastor Toby & Pastor Rick

Thanks for always supporting us!

Thanks for loving us!

Thanks for providing for us!

Thanks for all the times that you gave us rides, bought us food, allowed us to spend the night at your home, all the times that you bought our fundraising stuff from school, for coming to our graduations, proms, music recitals, plays, for coming to see us when we were sick at home or in the hospital, for forgiving us when we broke something (whether at the church, in your car, or

in your home), thank you for coming to see us at college, for filling out scholarships, college forms, recommendations, for helping us with our homework, and for washing clothes, buying our clothes, giving us band aids, thank you for all the practice time, the long overnights, all the patience, all the prayers, all the love, hugs, pats on the back, words of

encouragement. Thank you for being Pastors that teach us about purity and wisdom, making right choices, and never giving up.

But thank you the most for Leading US to Christ!

We love you,

The Youth of Glenville New Life Community Church!
